

Helena Campbell

Civil Mediation Council Accredited Mediator

Specialist areas: Personal injury, medical negligence, dispute resolution, property and housing, financial and commercial disputes, charity

An Associate and Chartered Legal Executive specialising in high value complex medical negligence at Tozers LLP.

An accredited panel mediator with a range of experience, undertaking mediation based in the South West but mediating and tutoring nationally and internationally since 2009.

Helena has Litigator status with the Association of Personal Injury Lawyers. An accredited mediator and faculty member with The Society of Mediators, as well as a trainer on the faculty tutoring for foundation and advanced mediation courses and CPD days nationally and internationally.

A Civil Mediation Council Accredited mediator.

A sitting committee member with the Association of South West Mediators.

An approved panel member for the multitrack personal injury and medical negligence mediation pilot at Bristol District Registry. A panel mediator with the Almshouse Association property and housing pilot scheme.

She provides mentoring opportunities and observations of aspiring mediators.

When not mediating, Helena is an Associate at Tozers LLP acting for Claimant's since 2003, now in complex medical negligence matters. Helena is known for her sensitive and empathetic nature and outstanding client care and therefore acts for the most vulnerable Claimants. Helena has a specific interest in stillbirth and neonatal death, serious child injury cases, fatal cases and oncology matters. Helena regularly undertakes mediations in her capacity as a litigator.

Helena is affiliated with a number of South West charities, she was formally Chair of the Board of Trustees for Veterans With Dogs and is an Ambassador and Befriender for the Meningitis Research Foundation. Helena works closely with baby loss charities and is a trustee for the Lunas Fund, a stillbirth and neonatal death charity supporting bereaved parents. Helena also works alongside local childhood cancer charities and local hospices.

Testimonials

“My grateful thanks go to Helena for her sensitivity, care and understanding in what has been a very difficult time.”

“We were so happy with how considerate and professional Helena Campbell was. It was a very upsetting and stressful journey and Helena made it as comfortable as possible. This has given us the closure we needed to try and move on. Thank you.”
